Attention Customer Service,

We wish to cancel our monitoring service at the above stated address. Consider this our 30-day written notice. We understand that Paradigm Integration, Inc. will need access to the phone lines and/or property to reprogram our alarm panel to remove the dialing feature from the panel. We have read the "Cancellation Instructions" and will comply with the cancellation procedure.

We release Paradigm Integration, Inc / Allsafe Alarm from its obligation to provide monitoring service on our security and/or fire protection system from the reprogramming date forward. We understand that our system will not be connected to a Central Station monitoring service and in the event of an alarm activation; there will not be any contact or dispatch from the Central Station. It will be our responsibility to contact the appropriate authorities for assistance. We further understand that we are obligated to notify/inform our insurance company and advise them that our alarm is no longer monitored by a Central Station service.
